New website of the 20 Years of Erasmus Programme www.20erasmus.eu

On December 7th 2006, a new website regarding the 20 years of Erasmus Programme celebrations has been launched at www.20erasmus.eu. In this website we will inform about all the events that are going to take place throughout Europe, Erasmus students can share their experiences here and there is a place reserved for communications, the press corner, where all press releases will be published. Information about the 20 years project and the Erasmus programme can also be found.

The 20 years for Erasmus Programme celebrations will involve high school and higher education students, researchers, professors, local authorities and local, national and international representatives of European Institutions.

The main supporters of the 20 years project, at the date, are the Committee of the Regions, the European Commission and deBuren.
